Sawnee Mountain Kennel Club of Georgia, Inc.

Established in 1988, Sawnee Mountain Kennel Club is a nonprofit organization dedicated to the advancement of the purebred dog and to provide and promote canine education to the community.

- SMKC is a member club of the American Kennel Club.
- Both AKC and SMKC welcome the mixed breed dog into the AKC Canine Partner's Program.
- SMKC offers Obedience and Rally events to all our canine friends. The club also offers Conformation training classes to both the beginning and experienced handler.
- SMKC works with other organizations to keep our members informed of animal welfare and legislation regarding dogs and dog ownership.
- We welcome visitors to our meetings.

Sawnee Mountain Kennel Club meets the second Wednesday of each month. We often have short programs by area leaders in dog related subjects.

Come get involved in the exciting sport of dogs, and learn while meeting your dog friends in the North Georgia counties!

ABOUT US...

SMKC became a member of the American Kennel Club in 2007. As an AKC licensed all-breed club SMKC holds pointed conformation, obedience and rally events.

The club is a member of the Cherokee Rose Cluster and holds two ALL-Breed/ Obedience and Rally Shows yearly. In addition the club also offers Obedience & Rally Events. Conformation classes and Matches are offered to the public.

Each year our members and dog teams that have achieved Titles in Conformation, Companion and Performance sports are recognized.

COMMUNITY SERVICE...

Our club strives to be active in all phases of community service. In the past we have donated bullet proof vests for Forsyth County and Lumpkin County K-9 officers.

The club has donated a bite suit for Lumpkin County and has distributed a supply of animal resuscitation masks to Cherokee County, Hall County, City of Gainesville, Dawson County and Lumpkin County Fire Departments or First Responders. Additionally, K-9 training suits for Forsyth County, special ballistic and stab proof K-9 vests for the 2 bomb dogs in Hall County, bullet-proof vests and cool vests for the K-9 dogs in Gainesville, Habersham, White, Dawson, Lumpkin and Cherokee Counties have been provided for the health and protection of the K-9 officers. In order to further the mission

and dedication of the club to animal assistance.

SMKC contributes to community, state and national dog related organizations. Dawson County Human Society, Humane Society of Forsyth County, AHIMSA House, and breed rescue groups have received support.

The club annually supports the advancements in canine health and research through contribution to AKC Canine Health Foundation, Rabies Challenge Fund, UGA Sundown Surgery Fund, UGA Veterinary Medicine Scholarship Fund, and Tufts Medical Center (Canine Gastric Cancer Research).

The club is active with Disaster Preparedness and Dog Owner Responsibility education. SMKC has donated to the AKC Pet Disaster Relief Fund which provides emergency trailers, and supplies for displaced dogs during disasters managed by the emergency management organizations of the states and counties.

Sawnee Mountain Kennel Club continues to support the sport of dogs with owner education programs, health clinics, and promotion of welfare.

Come get involved in the exciting sport of dogs, and learn while meeting your dog friends in the North Georgia counties!
