We will NOT be providing a "community" water bowl at the Match.

If your dogs has been around unknown dog/shows and develops a consistent and lingering cough, I would recommend that you contact your Vet. **Treasurer's Report:** Marilee reported the following - general report - considering the statements have not been received as of the meeting. Total Ending Balance for June is \$46,277.12; 6 June checks paid – total of \$1,575.82; 2 deposits = \$128.00; Total Operating Account \$44,829.30. Final account information will be available when statements are in. She also stated that life-time memberships have been accounted for.  
Marilee officially tendered her resignation as Treasurer of the Club to the Board. She will continue through the Cluster. She stated that the new treasurer should be trained to take over the books, and we may need an accountant that can handle the club's business. She hopes the Club can continue using the Checks and Balances Darlene and she has implemented in order to have an understanding of the Club's finances. Much appreciation to Marilee – she will be missed. Her organization of the financial interests of the Club took much time and effort and will be appreciated by those who follow. She stated she enjoyed the work, and we know she has enabled the Club to have a standard worth following.

**Report of Committees:**

**Cluster:** Premium List should be coming out soon. Darlene has presented her main committee chairs with the final proof. Marilee will be sending insurance certificate and deposit to Expo soon. Valerie Dombrowski will be handling the Vendors this show.

**Membership:** Gina Bonner has tendered her resignation as Membership Chair – she has information all caught up and several new members have been officially entered. Gina remains a Board member. Many thanks to Gina for all she has done in managing a job that is the lifeblood of all organizations

Having the new website makes membership and paperwork an easier task and will help with member communication. Glenda has redesigned and updated the Club's trifold pamphlet. Ready and printed by RDO day in Dawsonville at Rock Creek Sports Center, Saturday, September 26, 2015. We need volunteer judges for the fun Pups in the Park activities/events.

A discussion was held as to the merging of public education and membership. Pat Albro and Ann have a possible candidate and will discuss it with Board members and her. The membership person does not have to be a Board member. The postcards and other mailings have helped to establish a connection with folks.

**Unfinished Business:**

**Territory:** Darlene reported that AKC has researched our territory from years past and determined that while our base is Forsyth County, we also served and will now serve Dawson and Hall County.

**Obedience Trial:** Options/Needs. We often do not have enough members to work at the many activities we support and provide. Darlene contacted Chris Brooks of Show Entries – who presently superintends for several obedience trials for other clubs in our SE area. He would be the on-site person for the December Trial and additionally would handle the premium list, assignments, catalog work and AKC reports. These are the demands that drain our volunteer resources. He has presented the Club/Board with a proposal as Trial Secretary that is competitive with other superintendent's proposals, and can provide these resources. He would be the liaison with the Club member in charge of the Trial for the day, and hence, provide relief for our volunteers. We are considering offering just Obedience, to shorten the day.

Darlene suggested considering offering an evening "Novice Trial" in the future – to support our beginning folks and dogs, and has become quite popular.

We are considering purchasing mats for the possible site and future trials. Moving and storage would need to be considered. Other clubs may offer mats for rent or who want to sell their old ones as well. Ann and Darlene offered to contact these folks. Andrea suggested we consider purchasing the mats for the trial and other classes. Pat made the motion, Paul 2<sup>nd</sup>. Motion passed.

A motion was made by Pat to hire Chris Brooks as the Trial Secretary. Marilee 2<sup>nd</sup>, motion passed with all ayes.

A motion was made to consider Hall County's Ag Center Activity Building as the December Trial site. The building has heat and air – 70X50' with other areas available for other needs, such as crating and seating, and lots of parking. We are considering offering just one ring for comfort at the upcoming trial. Costs were discussed, and establishing a presence in Hall County would be satisfied. While costs for mats etc., would be an additional cost – they would provide materials for future Hall and other sites' needs. Food can be provided by Sweet Butts Bar-B-Q. Ann will contact.

Marilee made the motion we accept the Hall County venue as our 2015 December Obedience Trial site, Pat 2<sup>nd</sup>, motion carried with all ayes.

**Match:** AKC has approved the match to be held at the August meeting night, at Fowler Park, August 12, 2015. Glenda redesigned the Flyer and it is on the website. Classes were discussed. Andrea checked for completeness and correctness, and suggestions were offered. Darlene will finalize with Glenda. Karen needs to be updated and ribbons need to be ordered. Gina will contact her. Exhibition only will provide practice for the upcoming Cluster. Marilee is refurbishing the ring gates, and they will be available for the match.

**New Business:**

**Website:** Glenda discussed the "Shout Out" app for the website, which is good for notifying members of important notices. Glenda would like to send the Newsletter through the Shout Out. May be a cost saving, and would support content on the Facebook site. She will then be able to determine activity requests, etc.

Several requests for training classes have been received through the website. Glenda would like to consider the website as part of the Club budget for next year. A map for the website and a new banner of our expanded territory was discussed and considered. Darlene will look into banners, etc.

**Computer/Software** rental feasibility to other clubs was discussed. Motion made by Marilee, 2<sup>nd</sup> by Andrea, to table until January, 2016. Motion passed with all ayes.

**Website disclaimers** discussed. Darlene reported that while we offer other organizations/information per request – we need to develop guidelines for the many requests and our offerings for information. Breeder referral was discussed and its function needs to be supported/addressed. Marilee made the motion for Glenda to write the disclaimers and other postings/links for the Website and Facebook, 2<sup>nd</sup> by Pat, motion carried.

**Seminar:** Darlene stated AKC and delegates are promoting "Nose Work." Tracking and Pedigree Analysis – structure and movement, Junior Workshop are also suggested seminars. The Activity Building in Hall County offers a good site for educational seminars. Glenda stated these activities would be good for our area. Recommended for publicity/new membership recruitment/outreach chair. Marilee made the motion for creation of the position of Publicity Chair, with recommendations for guidelines. 2<sup>nd</sup> by Pat, motion carried with all ayes.

**Junior Support:** McKenna Copeland offered a letter for consideration of financial support for Shep and her attendance to the world championship dock diving competition. She discussed her and Shep's achievements and her future representation. Discussion included donations by our membership, and a way to earn money for the trip at our venues. She will have a table at the match – please be generous.

**Canine Avian Flu:** Paul discussed the numbers and present vaccinations. More information will probably emerge. Treatment is same as for kennel cough. Correct diagnosis is available through UGA and your vet.

**Next Meeting and Adjournment:** The next Board meeting is scheduled for 5:30 PM at the Fowler Park Pavilion before the Match on August 12, 2105. Motion to adjourn by Andrea, 2<sup>nd</sup> by Pat, meeting adjourned at 8:13 PM.

**Highlights:**

**GCC** supports laws to protect pets in cases of domestic abuse, and shelters to open their doors, but do not become the pets guardians.

Please become a member of GCC to support. Individual membership applications are on the website.

As of January 2016, several bills will appear in the 2<sup>nd</sup> session. SB184 – breed-specific legislation was sent to government relations. It has been tabled until the new legislative year.

Bill related to safe containment of animals on major roads is being considered.

State Dog – suggested by legislator is "Rescue Dog". GCC supports "Family Dog" or any purebred dog.

GCC is opposed to any breed-specific legislation. Issues arise at the local level, rather than the state level. Animal Control is there to protect people while Humane Societies protect the animals. Merging them is rarely successful.

Please know and meet your county commissioners, as well as your state legislators, and offer your support, so that when issues come up you are considered the expert to call on.

Check with Gail for help speaking to or contacting rural and sportsman/hunting clubs.

Facebook page is up and running – please "like" us. Working on a web page.

YAY!!! AKC Government Relations is now functioning online and will support state and local efforts.

Hot Car legislation needs clarification in Georgia. Care of our animals is always paramount for GCC.
